A film filled with grace. Félicité Wouassi is stunning, an obvious candidate for the Césars. A vital film. You will leave the theatre enchanted. **STUDIO**

The grace of the actors (Félicité Wouassi, magnificent), the crystalline African music, the perfect harmony between the actors and their authenticity make this social comedy one of the best contemporary stories. It lies between Spike Lee and Ettore Scola, between misery and splendor. **MADAME FIGARO**
